

Ouiser Bourdeaux: (50-60) *pronounced Weezer. She is a wealthy old woman and is a very grumpy, yet equally lovable lady. Her unique personality and sense of humor is a great relief in the serious scenes. She is a lifelong friend to Clairee, and the two of them have a very teasing sibling-like relationship.

“Put a lid on it, Clairee. I was standing there looking at my - my naked magnolia tree when I saw Drum across the way loading what appeared to be a cannon. I asked him what happened to all those magnolia blossoms. He said the wind probably blew them off during the night. Then I asked him how the wind managed to blow them all off into your pool. Then he fired at me! Is that rude or what? ...He’s a real gentleman. I’ll bet he takes the dishes out of the sink before he pees in it.”
