“Mama, I don’t know why you have to make everything so difficult. I look at having this baby as the opportunity of a lifetime. Sure, there may be some risk involved. That’s true for anybody. But you get through it and life goes on. And when it’s all said and done there’ll be a piece of immortality with Jackson’s looks and my sense of style. . . I hope. Mama, please. I need your support. I would rather have thirty minutes of wonderful than a lifetime of nothing special.”
